

**Machines Covered**

This Covers the CLE line of dishwashers including: CL44e, CL54e, (STD & HTS) and CL64e STD

The below information was taken from and can be found within the instruction manual of any Hobart product, located at: <https://www.hobartcorp.com/resources-hobart>.

**⚠️WARNING** Disconnect the electrical power to the machine and follow lockout / tagout procedures. There may be multiple circuits. Be sure all circuits are disconnected.

**⚠️WARNING** When performing service work, corrosive chemicals may be present. Exposure to these chemicals could result in injury. It is very important to follow the manufacturer's instructions as found in the (Material) Safety Data Sheet/(M) SDS. Information regarding the Personal Protective Equipment (PPE) requirements can be found in the (M) SDS that accompanies product or can be found online.

**Fill/Rinse System**
