

## MAINTENANCE KIT – COMMERCIAL DISHWASHERS

# YOUR KITCHEN CAN'T CALL IN SICK.

If your dishwasher stops, your kitchen closes. Keep your kitchen open with preventive maintenance using genuine OEM parts. But how do you know what parts need replaced? We've taken the guesswork out of your equipment maintenance with our kit designed for commercial dishwashers. **Each model-specific kit includes curtains, o-rings, nozzles, floats and other high-usage parts** that Hobart recommends for replacement to keep your equipment operating at peak performance.

**Prevent dishwasher downtime by using our Maintenance Kit. One kit, one order, designed to maximize uptime and minimize maintenance cost.**
